**Power Steering Bracket & Pulley**

For use with Chevy™ small block motors with GM remote Type II power steering pumps. Designed to work with

Billet Specialties pulleys and brackets and available for both long and short style water pumps. Bracket mounts low on driver side of engine block.

*\* Fittings, Hoses and Pump not included.*

- 12120 Short Water Pump \$156.95
- 12220 Long Water Pump \$156.95

1-800-335-1932

**Power Steering Remote Reservoir with Bracket**

- 77920.....\$144.95

Machined from billet aluminum and given a high polished finish. The remote reservoir features a vented cap and internal baffling for foam free operation. Designed for -6 & -10 AN fittings (works with most aftermarket hose kits). The included mounting bracket features an internal key-lock design that hides all mounting hardware for a smooth finish.

*\*Fittings and hoses not included.*

**A/C Compressor Cover**

- 87120.....\$39.95

Billet's A/C compressor cover is designed to fit the Sanden 508 aftermarket compressor unit.

**Alternator Pulleys**

Choose from either the replacement billet alternator pulley or our unique alternator fan, pulley and nose cone set-up. Billet's alternator pulley and fan are machined from one piece of billet aluminum to provide superior balance and strength. The bolt-on nose cone hides the alternator fan nut and washer. Both styles fit most GM, Delco and Ford alternators.

**Alternator Pulley**

- 85120.....\$26.95

**Alternator Fan, Pulley, Nose Cone**

- 85220.....\$54.95
