LOKAR's Automatic
Transmission Shifters

Solid, positive operation, neutral safety switch and exclusive "Safety Lock-Out Button(tm) combines with the good looks of a tapered chrome shifter handle to provide you with the finest shifter for your street rod. Available for Chevy, Ford and Chrysler trannys. Handle lengths from 6" to 23": mounting hardware lets you locate the shifter exactly where you want it. Lever rotates a full 360* for additional leg room.
